

## CRUMPLED EFFECT:

- Scrunch up the fabric surface and hold it in place loosely with elastic bands or string.

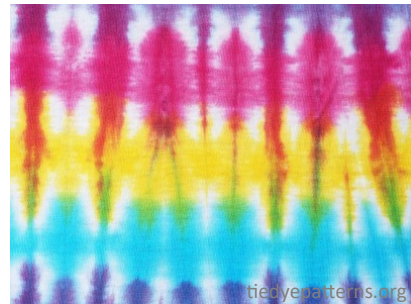

## CIRCLES/SUNBURST:

- Pinch a piece of fabric and tie tightly with elastic bands or string.
- Repeat all over fabric as much as desired.

## STRIPES:

- Fold up your fabric in a pleat style so you have a long sausage.
- Tightly tie string or elastic bands at intervals along the fabric sausage.

## TARGET PATTERN:

- Pinch the centre of the fabric and pull to create a long sausage.
- Tightly tie string or elastic bands at intervals along the fabric sausage.

## SPIRAL:

- Pinch at the centre of the fabric and twist on a flat surface to create a spiral.
- Hold loosely together in a circle with elastic bands or string to make 6 portions (like a pie).

- Use these portions as guides for the colour application (alternate between two or three colours).
