

How to Sew a Sequin (Eye Decoration)

1. Tie a knot at the end of your thread. Then poke your needle through 1 of your felt layers.

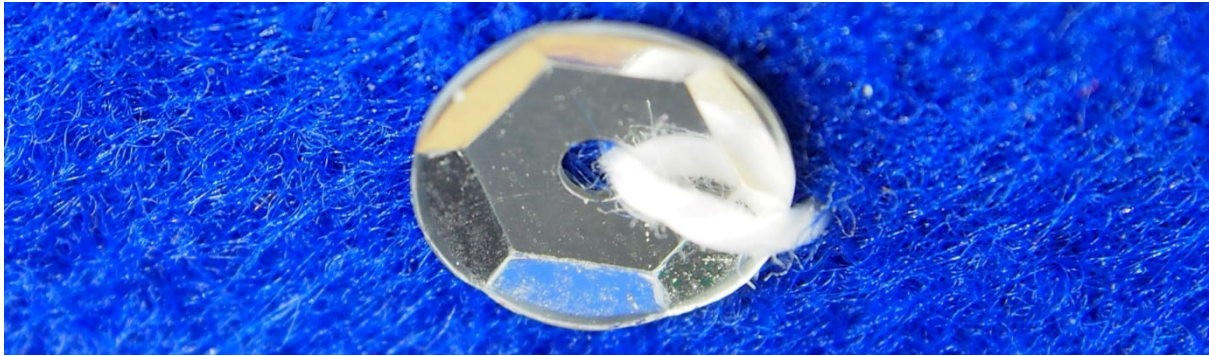

2. Poke your needle through the center of the sequin.

How to Sew a Sequin (Eye Decoration)

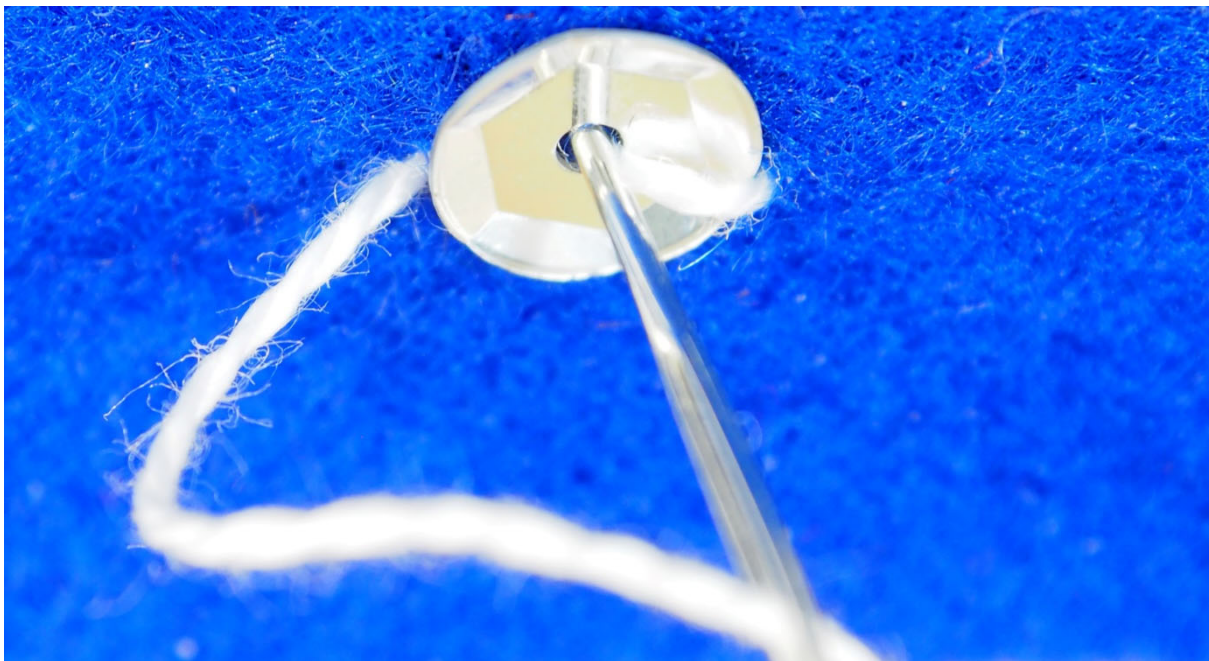

3. Put your needle and thread back through the felt next to the sequin.

4. Push the needle and thread back through the felt, next to and on the opposite side of the sequin.

5. Push the needle back down through the middle of the sequin and pull the thread tight.

6. Tie a knot on the back of the felt to secure the sequin and cut off any excess thread.
